Photo: Pieter Sumihar was born in Medan. When Pieter was 11, another child threw a piece of wood at him and punctured his left eyeball. Incorrect treatment from the hospital resulted in the complete loss of vision of the eye. Helpless and unable to afford his education, Pieter received a WorldShare scholarship which allowed him to complete an IT degree at UKRIM. Following graduation in 2011 Pieter became a full time lecturer at the University. In addition to teaching, he helps UKRIM's Software Institute to develop and manage software projects.

PRAYER & PRAISE

December 2017

"And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work."

2 Corinthians 9:8

"I lost hope of studying and for life in general when I lost vision in my left eye. I was left helpless and depressed. I found Jesus and he has opened doors for me."

- Pieter Sumihar, Lecturer at UKRIM
