Front page photo description:

The partnership between Christian Fellowship Ministries (CFM) and WorldShare enabled CFM to run a four-day Evangelical Outreach Program in Kabwangasi 20 kilometres from Mbale. The area has a high level of crime, violence and is known for its polygamy and witchcraft practices. The outreach program had the highest attendance of any program run by CFM to date, with approximately 6000 people in attendance over the four days. Many lives were given to Christ as people responded to prayer and a call to the altar.

Thank you for helping us to make this possible!
