Chantale is a mother of two beautiful children and an educated primary school teacher. Chantal is now a Teacher Aid/Support teaching grade one at Ephphatha, teaching along her grade one teacher. In her early years, Chantale became deaf due to an illness, and was left with little hope, and a dull future. Due to Chantale's education through the Ephphatha Centre for Deaf, her children have food and clothes, and are being educated. Even though Chantale became pregnant at the age of 13, after experiencing sexual violence, she knows Jesus loves her and has a bright future for her.

Thank you for helping us to make this possible!
