

Week 4

Mon 22nd - Uganda

Many of CFM's newer churches currently meet under trees. Pray that they might obtain buildings to meet in, or at least temporary structures to begin with. Praise the God that these churches are still standing and serving the Lord despite their challenges.

Tue 23rd - DR Congo

Pray for HEAL as they are equipping churches in Buhene for counselling and outreach. Buhene is an incredibly volatile district of Goma that struggles with public violence and unrest. It was also one of the worst affected districts by last year's volcanic eruption as well as the recent conflict.

Wed 24th - Cambodia

Continue praying for the health and safety of Sunshine's program team as they travel between communities. In addition to other recent safety concerns the region has been experiencing very high temperatures in recent weeks.

Thu 25th - WorldShare

Pray for God's protection over Rochelle (our International Projects Coordinator) as she travels to Uganda to visit our ministry partners in the region for the first time since the COVID-19 pandemic began.

Fri 26th - India

Pray for God's wisdom and guidance over the BCM team as they work towards new health and education projects in coming months.

Sat 27th - DR Congo

Pray for God's guidance over Ephphatha as they consider ways to better serve and share the gospel with deaf people living in rural communities.

Sun 28th - Uganda

Praise God that the mother of a girl at Wakisa has been discharged from hospital. She suffers from high blood pressure and diabetes and collapsed when her daughter revealed she was pregnant. Until now the girl has been very distressed, both for her mother but also because she felt responsible for her collapse.

Week 5

Mon 29th - Cambodia

Praise God that Sunshine's meetings with Cambodia's Ministry of Social Affairs and Ministry of Education have been going well. Pray that God would continue to bless these meetings so Sunshine is best able to support the children in their communities.

Tue 30th - India

There has been an increase in reports of religious discrimination across the country in recent times. Pray for God's hand over our Christian brothers and sisters (and all members of religious minorities) who live in fear of persecution for their faith.

Wed 31st - DR Congo

Pray for the staff at HEAL Africa hospital as they continue to serve on the front line during this pandemic. Pray that God will give them strength, endurance and encouragement and keep them safe while they serve.

- Philippians 4:7

Week 1

Tue 2nd - Uganda

Pray for economic stability in Uganda, as the prices of food and essentials continue to skyrocket. This has also led to an increase of robberies, particularly along main roads. Pray for God's provision and protection over everyone at Wakisa.

Wed 3rd - India

Pray for the children in BCM's sponsorship program as they sit exams this month. Pray that God would help them keep calm and enable them to display their hard work and understanding.

Thu 4th - WorldShare

Pray for God's protection over Ken (our International Projects Administrator) as he travels to Cambodia and visits our ministry partner, Sunshine Cambodia.

Fri 5th - Cambodia

Continue praying for Sunshine's Director, Sem Sochetra. Pray that he would find the right doctor to help him work out the cause of his dizzy spells.

Sat 6th - Uganda

Praise God that (CFM's field officer) Allan Angura's eyes are improving - he has been suffering from an unknown eye condition that is causing irritation and affecting his eyesight. Pray for his continued healing.

Sun 7th - DR Congo

Continue praying for George from Ephphatha (who was shot by police a few months ago in a misunderstanding resulting from his deafness). Praise God that he is healing well and pray that he can make a full recovery.

Pray for God's continued provision and good weather for the activities of CFM's Mafudu agricultural project.

Tue 9th - DR Congo

Praise God for the students in their final year of Ephphatha's vocational training program, who are currently undertaking professional internships. Pray that these internships will continue to improve their skills and understanding and set them up for good jobs once they graduate.

Wed 10th - Cambodia

Praise God for the success of Sunshine's recent teacher 'exposure' trip. They took a group of teachers from their partner schools to visit two more established schools, in order to connect with, observe and learn from, their leadership teams.

Thu 11th - WorldShare

Pray for all of our partners overseas as they are each being impacted by dramatic price inflation and shortages of food and essentials. Pray for God's protection and provision over them and their communities. Pray also for God's wisdom over us as we work to support them at this challenging time.

Fri 12th - India

Pray for church leaders, NGO's and Christian organisations (like BCM) in Karnataka, India, as they plan their work around the new anti-conversion law that has reportedly resulted in increased persecution.

Sat 13th - DR Congo

Pray for God's protection over the children in HEAL Africa's programs. Pray that he might continue to keep them safe from the violence, unrest and kidnappings that have become far too common in recent years.

Sun 14th - Uganda

Praise God for the water borehole and solar power system at Wakisa that have been very beneficial during recent power cuts and shortages in the region.

Week 3

Mon 15th - DR Congo

Praise God for HEAL's Uamusho project, which provides support, education and empowerment for 'street kids'. Many of the young people in the program are currently suffering from illness, please pray for God's healing and provision for them.
