Give thanks for the opportunities these students have to receive a quality education and vocational training, helping them build hope-filled futures. Pray that God would bless their learning, strengthen their confidence, and open doors for them to flourish.

Fri 4th – Indonesia Pray for Spirit-led leadership in Indonesia as the director of our mission partner seeks to lead with wisdom, humility and faith. Pray they would be guided by the Holy Spirit in every decision, keeping God's purposes at the centre of their work. May their leadership be shaped not by the pressure of meeting program targets alone, but by a deep commitment to God's will.

Sat 5th – Cambodia We praise the Lord for His provision in enabling our local partner to recruit an experienced team of facilitators to lead livelihoods training for their staff. They will receive valuable knowledge and practical skills to help families build sustainable livelihoods. We thank God that this training will bolster the ability to serve vulnerable children and their families with compassion, wisdom, and Christ-centred support.

Sun 6th – Uganda Pray for wisdom and insight for the team members of one of our Ugandan mission partners, who are currently studying and managing projects.

Fri 11th – Indonesia We thank the Lord for a successful training program on engaging approaches to reading, writing and arithmetic, attended by elementary school teachers from six schools supported by our local partner. We pray these teachers will have confidence, creativity and perseverance as they put new skills into practice. May God inspire a love of learning in their students and help many children build a strong foundation for their future.

Sat 12th – India Please lift up the families in the villages where our local partner serves. Many are experiencing health challenges due to a nearby garbage dumping site, including illness and skin diseases. Mon 21st – Uganda Praise God for the high survival rate of the native and fruit trees planted in the community by one of WorldShare's local partners. We give thanks to God's grace and recent professional training on irrigation and how to adapt to changing rain patterns.

Week 4

Tue 22nd – Uganda Pray for families in the country to see their daughters first as God's children, as social stigma causes many parents to turn them away after they become pregnant. We ask the Lord to bless the efforts of our local partner as they provide counselling intervention to families to accept them back, and also support the women in their education and with vocational training.

We pray that the knowledge gained will be greatly blessed by the Lord and lead to a lasting, positive impact through the church partnership program across Southwest Sumba.
